Diving Watch

Not suitable for young children who may put pieces in their mouth

all copyright Ayden's Adventures

General Suggestions

Two people should build together one should be an adult

Read through information before starting

Cut out all shapes you will need before starting to glue

Glue in a well ventilated place

Take time to let glue set properly before next stage

Use kitchen roll sheet to press glued shape onto card

Using cereal boxes, glue shapes onto printed side

Models should be kept away from water

Please recycle offcut paper/cardboard

No plastic in model

Your diving watch

You will need

1. Scissors.
2. Tube of glue
3. Shirring elastic (for watch band)

Making

1. Cut out full shape of watch
2. Fold front and back of watch being careful to align
3. Unfold then glue and fold in grey shapes
4. Glue two halves of watch together, covering grey shapes
5. Make holes where two pairs of dots are shown
6. Feed a length of the sheering elastic through the holes as shown
7. Tie ends together making three knots and trim extra elastic
